LEARN FROM OUR EXPERTS

Join the enthusiastic and friendly staff of Prince Michel Vineyard and Winery for an in-depth tour and tasting at one of Virginia's oldest and most acclaimed wineries. Your tour begins with a glass of wine and light hors d'oeuvres. A private tour of the production facilities — including the barrel cave and massive tank room — allows you to get a hands-on education of the wine-making process. A seated wine tasting conducted by one of Prince Michel's experts is followed by “free time” in our incredible Wine and Gift Shop.

Bus tours welcome. Large and small groups easily accommodated. For more information visit us on the web at www.princemichel.com or call us toll free at 800-800-WINE.
